Privacy Statement

We take your privacy rights seriously.

To manage our business and your enquiry, we need to obtain a few basic contact details, this information is only used by us and will never be passed to any other organisation without your permission.

Registration and Bookings

We record contact information about our customers who register or book a Product. This information is used by us only and is not shared with any third parties except where necessary with our Subcontractor in the fulfillment of a Booking.

Credit cards

We use a recognized third party Payment System to collect your credit card information for secure payment. This data is used for billing purposes only, and is not stored on our servers.

Traffic analysis

We gather date, time, browser type, navigation history and IP address of all visitors to our site. This information does not contain anything that can identify users personally. We use this information for our internal traffic analysis and system administration. We do not share this information with any third parties.

Security

We use reasonable precautions to protect our users personal information and to store it securely. Sensitive information that is transmitted to us online is encrypted and is transmitted to us securely. In addition, access to all of our users information, not just the sensitive information mentioned above, is restricted. Only employees who need the information to perform a specific job (for example, a billing clerk or a customer service representative) are granted access to personally identifiable information. Finally, the servers on which we store personally identifiable information are kept in a secure environment.

Links

Our web sites contain links to other sites, but we are not responsible for the content or privacy practices of such other sites.
